Campus Alert System

Eastern Arizona College has implemented a Campus alert system intended to provide students, staff, and guest with an audible notification of an emergency event. The audible alert system consists of speakers located in the Memorial Bell Tower and procedures designed to utilize the speakers along with other methods of notification to quickly disseminate information throughout campus in the event of an emergency.

These speakers can produce both tone or voice output designed to be audible throughout campus. The system will sound for campus emergencies during which individuals will be instructed as to the nature of the emergency and the appropriate action that should be taken.

Along with the audible campus alert system, the college also utilizes text messaging and internet-based alert technology to contact and alert staff and faculty members. These systems are activated along with the audible system. These systems are designated and maintained for emergency use only and will only be used when an emergency arises. There will be times that the systems are periodically tested to assure that they are functioning correctly and to evaluate police, staff, and student response.

NOTE: All students are required to know and abide by the information in this handbook and in the most current website version.

EAC DEBIT CARD

No more waiting in long lines to get your work study paycheck or financial aid disbursement. All students receiving Financial Aid will automatically be enrolled in our new Bank Mobil program.

Instead of hassling with cashing a check, your money will automatically be deposited electronically to your own Eastern Arizona College Debit Card managed by Bank Mobil. It’s faster, safer, and more convenient.

This prepaid card gives you the power of MasterCard, but it’s NOT a credit card. You’re using your own money from your own financial aid. No application. No credit check. It’s that easy.

- Use your card everywhere MasterCard Debit Cards are accepted, including the EAC Bookstore
- Get the cash you need at the Bank Mobil ATM located in the Student Activities Center or receive cash-back at many stores.
- Shop online, by phone, and by mail order.
- Pay many bills such as cable, ISP, utilities, insurance, and more.
- Be safer—if the card is lost or stolen, you won’t lose your money.

If you are not automatically enrolled, you can sign up for the card by calling the EAC Fiscal Control Office at (928) 428-8221.

For more information, call the EAC Fiscal Control Office.

INTERNET ALERT!
Use a unique password for everything. Passwords/passphrases should be at least 12 characters long and can include digits and capital letters for additional security. Don’t download software or attachments from an unknown source—you can get a computer virus. Backup files routinely. Not having a backup is the biggest security risk you can make! e-mail is not private. Someone other than the recipient may read it, copy it, and even distribute it around the world. Keep your personal information such as name, address, credit card, and Social Security number private.

CHAT ROOMS & SOCIAL NETWORK SITES
These sites are NOT private. Millions of people have access to information posted on sites including administrators, faculty, and potential employers. More important, people with negative intentions learn personal information that can lead to harassment, stalking, assault, and even murder. Do not share personal information. Get out of conversations or chat rooms that make you uncomfortable. Don’t respond to nasty, suggestive, or rude emails. If you choose to meet a cyber acquaintance:

• Make sure it is in a neutral, public location that doesn’t reveal where you live, work, or socialize
• Include friends in your early meetings so you are not alone with a stranger
• Communicate clearly if you do not want to continue a real or cyber relationship!

Report any problems or concerns with cyber criminals or stalkers.

IMPORTANT INGREDIENT FOR SUCCESS: ACADEMIC ADVISING

Here are some tips concerning what to expect from your advisor and what you can do to get the most out of advising:

<table>
<thead>
<tr>
<th>What You Can Expect From Your Advisor</th>
<th>How You Can Get the Most Out of Advising</th>
</tr>
</thead>
<tbody>
<tr>
<td>Your advisor should be available to meet personally and regularly with you at least several hours during each semester.</td>
<td>You should learn to use the Eastern Arizona Catalog and appropriate class schedules available through the EAC Internet website or in hard copy.</td>
</tr>
<tr>
<td>Your advisor should inform you of courses, programs, and degree requirements that affect your academic progress at Eastern Arizona College.</td>
<td>You should become acquainted with the graduation and degree requirements that affect your academic program at Eastern Arizona College, and openly talk about them with your advisor.</td>
</tr>
<tr>
<td>If you are a transfer student, your advisor should help you obtain appropriate information from the transfer university of your choice.</td>
<td>You should make periodic appointments with your advisor on a regular or as-needed basis.</td>
</tr>
<tr>
<td>Your advisor should maintain accurate and open academic advising records to aid you in charting your academic career.</td>
<td>You should provide your advisor with accurate and timely information as to your academic progress or changes in your program.</td>
</tr>
<tr>
<td>Your advisor should make appropriate referrals to campus or community resources that will provide information or help, which is beyond her or his scope of expertise.</td>
<td>You should realize that you are ultimately responsible for the choices you make and that your rate of academic progress is dependent upon your actions, not those of your academic advisor.</td>

ORIENTATION TO STUDENT SUCCESS

If you are struggling and need some help, or if you are doing well and want to do better, we strongly recommend a one-credit class that meets once a week for the semester called “Orientation to Student Success.” You can enroll in a section taught by an instructor in your area of academic interest and learn some basic study skills, develop good academic planning techniques, hear about some interesting activities and programs provided by Student Life, find out about scholarship and financial aid assistance, and get some really useful information about how to use the library for your maximum benefit. Look for the course CSL109, Orientation to Student Success, in the class schedule.

The Eastern Arizona College Counseling Department supports advisors by:

- Assisting students in determining who their advisor is and making sure they know how to contact their advisor.
- Assisting advisors with obtaining timely and accurate information pertinent to advising and their advising area.
- Making available within the Counseling Department the documents and information needed by students seeking to transfer.

QUESTIONS OR CONCERNS ABOUT ADVISING?

Come to the EAC Counseling Department for assistance, call (928) 428-8253, (toll-free (800) 678-3808 ext. 8253) or e-mail counseling@eac.edu.

Credit Card Awareness

Do you really need a credit card? They are good for emergencies but can lead to high interest payments in addition to your expenditures. Card use suggestions:

- Carry just one card so you won’t “max out” several cards at high interest rates.
- Read the fine print. Look for a card with no annual fee.
- Cash advances usually have transaction fees attached.
- Check the application or do an online search to find the best annual percentage rate (APR).
- Look for a generous “grace period,” which is the amount of time before interest is charged.
- Get a card with a low credit limit of only $500 or $1,000 to help you control spending.
- Don’t ruin your credit history or worthiness by running up high credit card balances and having trouble paying them.
- If possible, keep the balance paid so no interest accrues.
- Always make payments on time.
Dining Room

The dining hall at Eastern Arizona College provides a service that is hard to beat: an unlimited all-you-can-eat experience!

To better serve everyone, students will be served one entrée with each trip through the serving line. You are expected to return to the end of the line should you want a second entrée.

Gila Hank

EAC’s mascot is the venomous Gila monster, fondly referred to as “Gila Hank.” This lizard can bite quickly and hold on tenaciously. The bite, while not considered lethal, is very painful and should be considered a medical emergency. When they bite, their powerful jaws chew the venom in through capillary action along grooves in their teeth. Gila Monster venom is about as toxic as that of a western diamondback rattlesnake. However, a relatively small amount of venom is introduced in a Gila Monster bite.
Health

Plan ahead for treatment of illnesses and injuries! Do not let an illness or injury go untreated—your grades will suffer as much as you do! Students are responsible for their own healthcare.

IMMUNIZATIONS

College life places you in contact with large groups of people; in your classes, living environment, and activities. Such a high level of interaction can make you susceptible to a variety of infectious diseases. The American College Health Association recommends that college students be up-to-date with vaccinations against diphtheria, flu, hepatitis B, measles, meningitis, mumps, polio, rubella, tetanus, and varicella (chicken pox). It also recommends screening for TB (tuberculosis). Any of these diseases can be devastating and even deadly. Precautionary vaccinations can help deter such a tragic occurrence in your life. Many health insurance policies cover the cost of pre-college immunizations. Some Public Health Clinics frequently offer low or no-cost vaccinations.

INSURANCE

• Are you covered by your parents’ medical insurance? If not, there is student health insurance information available in the Student Life Office.
• Carry a card with your policy number, health insurance company name, and telephone number.
• Check with your company to see how to handle medical visits while you are away from home.
• Check to see which doctors accept your type of insurance. The Student Life and Housing Offices have a list of physicians accepting patients.
• If your insurance requires co-payments, make sure you have enough emergency money set aside to cover a co-payment for a doctor’s visit and/or prescription.

WHEN YOU’RE INJURED OR SICK, NOTIFY...

• Roommate(s)

Security and Safety

The personal safety and well-being of the students, faculty, and staff at Eastern Arizona College are always an important concern. You are encouraged to take responsibility for your own security and the security of others.

Many people are involved in keeping the campus safe and secure. A truly safe campus, however, can only be achieved through the cooperation of all students, faculty, and staff. Anyone at any campus location who becomes aware of a crime (or is the victim of a crime) or any emergency should make an accurate and prompt report of the occurrence to police or appropriate campus staff.

PERSONAL SAFETY AND PROTECTION AGAINST SEXUAL ASSAULT OR VIOLENT CRIME

Eastern Arizona College considers the personal physical safety of students, employees, and visitors an essential element in the maintenance of a learning environment. Every member of the College community should be aware that the College is strongly opposed to sexual assault, violence, and other threatening or endangering behavior. Federal law, as well as the Student Code of Conduct, prohibits such behavior.

DEFINITIONS

For the purpose of this policy, sexual assault is any sexual behavior between two or more people to which one person does not or cannot consent. The abuse of alcohol or other substances does not relieve individuals of their responsibilities to themselves or others. Violent crime is one or more persons intentionally inflicting bodily harm on another person or persons.

Examples of sexual misconduct:
- Pressure for sexual activity
- Requests for sexual favors
- Unwelcome patting, hugging or touching of a person’s body, hair, or clothing
- Sexual innuendoes, jokes, stories, or comments
- Display of sexually offensive posters, pictures, or written materials, including emails, texts, and other social media
- Sexual gestures or touching oneself sexually in front of others
- Disparaging remarks about a person’s clothing, body, sexuality, or sexual orientation
- Sexual violence and sexual assault

WHAT IS TITLE IX

Title IX of the Education Amendments of 1972 states:

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any educational program or activity receiving Federal financial aid.

EAC’S COMMITMENT

Eastern Arizona College is committed to providing a safe and positive learning, living, and working environment. The College has a responsibility to ensure that all students, faculty, staff, and visitors can enjoy the benefits and opportunities the College has to offer in an environment free from discrimination on the basis of gender, including:
- Sexual Harassment
- Sexual Assault
- Domestic Violence
- Bullying
- Sexual Misconduct
- Dating Violence
- Stalking
- Retaliation

Title IX protects people in all academic, educational, extra-curricular, athletic, and other school programs, including school-sponsored or condoned activities. It may cover activity occurring off school grounds if there is carry-over into the educational setting.

POLICY AND PROCEDURES

EAC has adopted a one policy, one process program to promptly, thoroughly, and fairly address all concerns and complaints of harassment or discrimination. This policy on Civil Rights Equity:
- Assures EAC is compliant with Title IX and all other forms of civil rights laws and relevant grievance processes.
- Establishes a process for determining when sexual misconduct has occurred.
- Authorizes the College to take actions to stop the conduct, to remediate its effects, and to provide information to prevent sexual misconduct.
- Applies to all of EAC’s operations and programs, including additional campuses and locations.

DUTY TO REPORT

Any employee who receives a complaint of discrimination, harassment, or sexual misconduct or becomes aware, directly or indirectly, of a behavior that violates Title IX is required to report the alleged misconduct immediately to one of EAC’s Title IX Co-Coordinators.

EAC is required by law and College policy to investigate good faith complaints of sexual misconduct. All complaints, formal or informal, will be investigated in a manner that is prompt, adequate, and impartial.
REPORTING
The guiding principle in the report of a sexual assault or violent crime is to avoid revictimizing the survivor by forcing the person into any plan of action. Assistance with the well-being of the survivor is the primary goal. Victims may contact any one of several College departments or community agencies for assistance. The following resources provide immediate aid or ongoing consultation:

Sexual Discrimination and Harassment Policy and Complaint Procedure

SEXUAL DISCRIMINATION/HARASSMENT COMPLAINTS
Eastern Arizona College does not discriminate against potential or existing employees or students on the basis of their gender or sexual preference(s). In concert with this policy, the College enforces a no-tolerance rule regarding evidence of sexual harassment by any of its employees, any of its students, and/or any third parties contracted by the College that might otherwise engage in sexual harassment against any other employee, any applicant for employment, and/or any student applying to or in attendance at the College. Furthermore, the College considers sexual harassment to be a major infraction of the professional integrity of its employees and/or students, or whosoever engages in such practice, and will take steps to the furthest extent of the law to suspend or otherwise discharge the perpetrator from employment or continued enrollment at the College, and will cooperate with legal authorities in pursuit of appropriate legal action. Any unwelcome sexual advance, request for sexual favors, and/or other verbal or physical conduct of a sexual nature constitutes sexual harassment when:

1. Submission to the conduct is made either an explicit or implicit condition of employment or academic standing

2. Submission to or rejection of the conduct is used as the basis for an employment decision affecting an employee or applicant for employment; or is used as the basis for an academic decision affecting a student

3. The harassment substantially interferes with an employee’s work performance or creates an intimidating, hostile, or offensive work environment; or interferes with a student’s academic performance or creates an intimidating, hostile, or offensive academic environment.

BRINGING A COMPLAINT
Any employee, applicant for employment, or student who believes that he/she or another employee, applicant for employment, or student, (1) has been discriminated against on the basis of gender and/or sexual preference(s), or (2) has been sexually harassed, should promptly report the matter to any academic administrator at the College (i.e. college dean or vice president). Any academic officer or other administrator of the College who receives a report of sexual harassment must present the allegations to the College President as soon as reasonably possible. The College President or personnel designated by the College President shall investigate any and all complaints of sexual harassment. A complaint arising from a Graham County site may be reported to the Chief Student Officer at (928) 428-8261, in the Thatcher Campus Student Services Building. A complaint arising from a Greenlee County site may be reported to the Chief Student Officer at (928) 428-8261, in the Thatcher Campus Student Services Building. A complaint arising from a Greenlee County site may be reported to the Chief Student Officer at (928) 428-8261, in the Thatcher Campus Student Services Building. A complaint arising from a Greenlee County site may be reported to the Chief Student Officer at (928) 428-8261, in the Thatcher Campus Student Services Building.
RESOLUTION OF A COMPLAINT
The College is committed to investigating each complaint thoroughly and taking immediate and appropriate corrective action on all confirmed violations of this policy. In determining whether or not any particular alleged conduct constitutes sexual harassment, the totality of the circumstances, the nature of the alleged incident(s), and the context in which the alleged incident(s) occurred will be reviewed and considered. The College prohibits reprisals by any of its employees or students against any complaining employee(s), student(s), or corroborating witness(es). Confidentiality shall be maintained to the maximum extent that is reasonably possible.

SEXUAL ASSAULT COMPLAINTS
A charge of sexual assault against a College student shall be handled in a manner similar to that described for a complaint of sexual harassment by the Chief Student Officer of the Thatcher Campus or Chief Officer for Greenlee County Eastern Arizona College sites. When a complainant of sexual assault gives information to the Officer that a sexual assault has taken place and accuses a College student of the offense, the Officer will have the discretion to suspend the accused student pending an hearing. When any necessary investigation is complete, the Officer will formally notify the accused student of the charges and shall set a hearing date within five (5) work days. Arizona State Law requires that any crime or act that constitutes a felony must be reported to Law Enforcement.

IDENTITY THEFT
If someone obtains your social security number, they can start hacking away at parts of your identity; from credit card info to college documents. Don’t give out personal information to unknown individuals. Identity theft is a long, hard road to overcome, often involving years of tracking, reestablishing damaged credit ratings, and more. Don’t risk it!

RESPONSIBILITY FOR SAFETY
Thatcher Campus Police and security personnel are available 24 hours a day. For emergencies call 911. The office is located at 620 N. College Ave., and their number is (928) 428-8240 or (800) 337-7407 (pager). Campus Police officers are certified by the Arizona Law Enforcement Officers Advisory Council and have full law enforcement authority. Eastern’s Campus Police are responsible for a full range of public safety services, including all crime reports, investigations, medical and fire emergencies, and traffic accidents. They are also responsible for the enforcement of laws regulating alcohol consumption, the use of controlled substances, weapons, and other incidents requiring police assistance. Campus police monitor criminal activity of students in off-campus locations of student organizations recognized by the College.

TEXT-A-TIP
There is a new Text-A-Tip service in Graham County. This new system allows a citizen to anonymously submit a crime tip to law enforcement in Graham County. This service was a combined effort between the Graham County Substance Abuse Coalition and local law enforcement agencies.

HOW IT WORKS
A citizen can text grahamtip to 50911 and type the message they want to submit.
- The message is then sent to the Graham County Sheriff’s Office Communications Center Via text message.
- The message is sent anonymously so the dispatcher has no way of knowing who sent it.
- No caller ID on your message.
- Now you can do the right thing and not fear retaliation.
- The dispatcher will review the tip information and pass it along to the appropriate agency.
- Report drugs, gangs, violence, threats, bullying, vandalism, abuse, illegal dumping, etc.

CHANGES IN SAFETY AND SECURITY PROCEDURES
Updated printed materials explaining changes (including timely reports regarding the occurrence of campus crimes) will be prepared and distributed to all students and employees. Students in residence halls are further instructed in areas of crime prevention through meetings in which printed and visual materials are reviewed and discussed. In addition, EAC will release the latest crime statistics for the most recent year in our General Catalog and will provide full distribution to students and employees.

SEX OFFENDER COMMUNITY NOTIFICATION
Arizona Revised Statute 13-3826 requires community notification regarding sex offenders assessed as Level 3 or High Risk who are residing in the area. This includes notification to the surrounding neighborhood, area schools, appropriate community groups, and prospective employers, which shall include a flyer with a photograph and exact address of the offender, as well as a summary of the offender’s status and criminal background. Information on the identity and residential address of all levels of registered sex offenders is available at the Arizona Sex Offenders website at azsexoffender.com.
Student Code of Conduct

The rules of conduct specified below are not all-inclusive but are emphasized as being among those necessary for the security and well-being of students attending Eastern Arizona College and are among the circumstances which may lead to disciplinary action and possible dismissal.

- Conviction of a crime or continued misconduct of any type that is an infraction of the established laws of the town, county, state, or nation
- Possessing or using intoxicating liquors, narcotics, or other illegal drugs
- Stealing or in possession of stolen articles
- Malicious destruction of property
- Endangering or threatening the life or physical safety of others or self, including forcible or non-forcible sexual assault
- Possession/use of any projectile weapon on campus
- Failure to meet financial obligations to the College
- Student conduct, on or off campus, prejudicial to the best interest of the College may be considered cause for disciplinary action or dismissal

ACADEMIC INTEGRITY

The information below is strictly a summary. Students are responsible to abide by the entire policy which may be accessed on the Web version of the current academic catalog.

The value of the degrees, certificates, and coursework offered by Eastern Arizona College greatly depends on its reputation as an institution dedicated to academic honesty. Each member of the EAC community is charged with honoring and upholding the policies and procedures governing academic integrity in their entirety.

CODE OF ACADEMIC INTEGRITY

Students at Eastern Arizona College are expected to:

- Conduct themselves in accordance with principles of academic integrity
- Behave so as to foster an atmosphere of honesty and fairness
- Avoid plagiarism and other forms of academic misconduct
- Give truthful information to any College professional educator or to any other College employee regarding issues concerning academic integrity or academic misconduct, or suspected academic misconduct
- Not alter, misuse, or forge any College document, record, or instrument of identification

Students are not excused from these provisions because of any failure or inability on the part of the professional educator to prevent other instances of academic misconduct as listed below:

- Cheating on examinations
- Inappropriate collaboration (working together)
- Collusion—Aiding and abetting others in the venture of academic misconduct
- Submitting the same assignment for different classes
- Intentional misrepresentation
- Plagiarism
- Improper influence (attempting to influence a grade by offering anything of value)

When a professional educator becomes aware of a possible violation of academic integrity, a confidential conference should be held to discuss the perceived violation and its consequences. If, following the conversation, the professional educator is satisfied that a violation has occurred, he or she may determine that one or more of the following consequences are appropriate and impose such penalty:

- Issuing a verbal or written reprimand
- Requiring that the academic project or examination in question be repeated
- Assigning the academic project or examination in question a reduced grade
- Requiring that the academic project or examination in question be repeated for a reduced grade
- Assigning the academic project or examination in question a failing grade
- Assigning a reduced grade in the course
- Assigning a failing grade in the course
- Initiating the student’s involuntary withdrawal from the course

If the professional educator feels that the violation in question was especially serious or repeated, he or she may recommend that additional penalties be imposed by the Admissions and Academic Standards Appeals Committee.

If this Committee concludes that the violation is so serious as to possibly warrant the student’s exclusion from extracurricular college activities or suspension or dismissal from the College, it will make that recommendation to the Judiciary Committee.

The Judiciary Committee may impose additional penalties against a violator, which may include:

- Censure and exclusion from extracurricular college activities, including student government, athletics, performances, or other activities of the college community
- Suspension for a specified period of time
- Expulsion from the College without expectation of readmission
A STUDENT’S RIGHT TO APPEAL
A student may appeal any decision to impose discipline as a result of academic misconduct through the established Grievance Procedure and Official Review Process for Academic Standards.

DISCIPLINARY ACTION
While not all-inclusive, the following activities may lead to disciplinary action, loss of campus living privileges, and possible dismissal from Eastern Arizona College:

- Conviction of a crime or continued misconduct of any type that is an infraction of the established laws of the city, county, state, or nation
- Possessing or using intoxicating liquors, narcotics, or other illegal drugs. Federal law allows notification of parents or guardians when there is a violation of this policy or a student exhibits a pattern of illegal substance use.
- Stealing or possession of stolen articles
- Malicious destruction of property
- Endangering or threatening the life or physical safety of others or self
- Interference with the education process by threatening behavior or possession of dangerous weapons or simulated weapons
- Projectile weapons are prohibited on the campus of Eastern Arizona College, including all firearms, BB/pellet guns, paint ball guns, archery equipment, etc. Any person found in possession of the above described weapon(s) on campus are subject to expulsion from Eastern Arizona College. Please be aware that many BB/pellet guns may be mistaken for a real weapon. Any weapon of this type pulled out in the presence of a law officer may result in the officer defending him/herself.
- Laser pointers or laser devices that emit any laser beam are prohibited on campus except when used by an instructor in a classroom setting or class instruction. Pointing a laser device at a police officer is a crime in the State of Arizona.
- Inappropriate use of EAC computer equipment, programs, or accounts (see Use of EAC Computer Equipment, Programs, or Accounts)
- Failure to meet financial obligations to the College
- Academic misconduct
- Student conduct, on or off-campus, prejudicial to the best interest of the College may be considered cause for disciplinary action or dismissal

You are expected to abide by this code. Ignorance is not an excuse! (See General Catalog for full text).

RIGHTS AND RESPONSIBILITIES
What are my responsibilities and rights as a student? What do I do if I feel I’m not being treated fairly? How do I appeal an action that has been taken against me?

Your rights and responsibilities as a student are:

- to set academic goals for yourself;
- to know what classes you should take to reach your goals;
- to master the information presented to you in class by attending class and studying outside of class;
- to provide honest feedback to instructors via the online course evaluation system on Eastern’s website;
- to take advantage of every learning opportunity that is presented to you, whether in or out of class; and
- to request a hearing if you believe your rights have been violated. At Eastern Arizona College, this is called the “Grievance Procedure.” The steps of the procedure for academic and non-academic grievances are spelled out in detail in the 2017-18 College Catalog. Or you can find them in the electronic catalog on Eastern’s website as follows: eac.edu/Academics/Catalogs.

There are several key points about the Grievance Procedure you should always keep in mind.

- Let your concerns be known quickly. The grievance procedure sets definite time lines that must be followed. More importantly, a problem not addressed when it occurs can often escalate into something much more serious.
- The first step of the grievance procedure is always to meet with the individual you feel to be responsible for the violation of your rights as a student. If you feel intimidated or uncomfortable with this first step, it is always appropriate to meet with a member of the counseling staff who, in turn, can provide you support in taking the appropriate steps to confront and resolve the problem.
- Determine if the issue is an academic or a non-academic concern. This makes a difference in how you would proceed if you cannot resolve the situation to your satisfaction with the responsible individual.
ACADEMIC CONCERNS
Academic concerns almost always involve matters within the classroom, such as grading procedures, accusations of cheating or plagiarism, instructor-student relationships, or expectations of what is supposed to be going on in the classroom are not being met. They may also involve students feeling they have been poorly advised or given incorrect information. Such issues would be addressed through the instructor or advisor, then the instructor’s academic division chair, the appropriate academic dean, and finally, the Admissions and Academic Standards Committee.

NON-ACADEMIC CONCERNS
Non-academic concerns are generally those stemming from disciplinary action taken against a student for inappropriate behavior. The behavior may be classroom-related, for example, being barred from the classroom for being disruptive. More frequently the behavior in question would occur outside the classroom, for example, an accusation of violating the student code of conduct, residence hall, or athletic team rules. If the student believes that the action taken was unfair or not warranted, he or she has the right to appeal using the grievance procedure. The final step in this process is for an appeal to be heard by the Judiciary Committee which is a group comprised of students, faculty, and staff.

Don’t be afraid to get advice about what to do. Student Life or Counseling staff are expected to be available to discuss your concerns with you and to do so in a non-judgmental manner. Their role is to advise you about options available to you by which you may resolve your concern and to support you in pursuing those options.
